Dear Mr. Piccoli,

Thank you for your letter of April 18 last in relation to the future of the Anzac Rifle Range at Malabar.

My Association is indebted to you for your time and interest in raising this issue with the Prime Minister on our behalf.

Your support is truly appreciated in regard to this matter and I will keep you abreast of any future developments that may arise.

At this stage we have had no communication or advice as to what the Governments intents are or indeed any ongoing decisions regarding our tenure. I find it frustrating, to say the least, when I read The Hon Anthony Byrne's response to you on behalf of the Prime Minister stating, and I quote, "The Department of Finance and Deregulation and its property managers are continuing to consult with key stakeholders etc., **and licensed users of the property to resolve these issues.**" No such consultation has taken place with my association at any time since the election of the Rudd Labor Government in November of last year. We would welcome the opportunity to do so.

Again, thank you for your support,

With Sincere Regards,

John Fitzgerald,
