Subject: Sierra Price Increase

The NRAA has advised that unfortunately due to the current economic situation there has been an immediate increase in cost of the new shipment of Sierra 155gn projectile.

Sierra 155 Palma Projectile \$0.38 Including GST each

All current stocks of Sierra 69, 80 and 107gr Projectiles are still at the old cost but these are likely to change as well.

I will advise as soon as possible all new costs and forward a new Ammunition order and price list to all Clubs.

Kind Regards

Barbara Bell
